Dear Members,

Re: Industrial Court (Fixing of cases scheduled during confinement)

The Industrial Court has started the exercise of re fixing trial cases which were scheduled for trial during period 20 March 2020 to 5 June 2020.

Due to the back log caused by the Covid 19 pandemic, the Industrial Court Officers will be contacting Counsel directly for dates to fix anew the trial cases which were scheduled during that said period.

You are kindly requested to inform your instructing attorneys of the trial dates as soon as you are so advised, so your instructing attorneys can liaise with your clients.

Please note that this exercise concerns only the cases which were scheduled for trial during the lockdown period. As soon as this backlog is cleared, the Industrial Court will revert to the usual procedure of issuing circulars to both counsel and attorneys.
