Subject: Invitation: Webinar on Amendments to Competition Commission Guidelines on Mergers

Dear Sir/Madam,

The Competition Act 2007 (the "Act") mandates the Competition Commission to review certain merger situations and where they substantially lessen competition to remedy the situation. The Competition Commission Guidelines on Mergers (hereinafter "the Guidelines") detail the substantive assessment of merger situations as per the Act. Among others, the Guidelines provide which transactions may amount to a merger situation within the meaning of the Act. Beginning August 2020, the Guidelines were amended to clarify how a person may bring an enterprise under his control, and consequently which transactions may qualify as a merger situation within the meaning of the Act.

The Competition Commission is now conducting a webinar which aims to explain the amendments made to the Guidelines on **Friday 11th September 2020 at 2 p.m.** The webinar will explain the merger control provisions of the Act with a focus on what constitutes a merger situation and the amendments brought to the Guidelines.

We are pleased to invite you to the webinar. Please register in advance for this webinar on this link https://zoom.us/webinar/register/WN_i-aX4EBKRGKVNDhCZnxK7Q. After registering, you will receive a confirmation email containing information about joining the webinar.
