**Communiqué: Energy Arbitration - Preliminary Training and Competition 2021**

Dear Friends,

The Energy Arbitration Preliminary Training and Competition (PRETRAC) will take place between 16 and 20 September 2021.

The training is organised by the Africa Energy Arbitrators' Forum (the AEA Forum), a project of the Lagos Chamber of Commerce International Arbitration Centre (LACIAC), and is supported by the School of International Arbitration, Queen Mary University of London (SIA-QMUL) and the Nigeria LNG Legal Learning Academy.

PRETRAC-2021 is an introductory course that is ideal for young arbitration practitioners who have an interest in African energy projects.

The training is normally offered at \$150. However, our organisation is eligible to a significant discount and as such the fee will be \$75 per member. If you are interested to benefit from this offer, you may find the form to be filled on the link below:

Alternatively, members may send an e-mail to:  
Titilope Sinmi-Adetona on [titilope.sinmi-adetona@laciac.org](mailto:titilope.sinmi-adetona@laciac.org).

Yours faithfully,

**Mayuri Bunwaree-Ramlackhan**  
**Secretary of the Bar Council**
